  - Other Industrial Processes (specify)
  - Other (specify)

### 3. Entry Categories:

*The Marvel Award winner will be chosen from entrants to the categories listed below. (Best in Category will also receive recognition from TMA and SSI). Select the category you are entering from the list below. (To enter more than one technology examples, please complete separate application forms.)*

- 3A. Best implementation of video verification
- 3B. Best implementation of PERS monitoring
- 3C. Best implementation of contact center technology
- 3D. Best cybersecurity
- 3E. Best new business model
- 3F. Best implementation of Cloud technology

- ❑ 3G. Open (examples: redundancy; leading-edge training techniques; tech that helps dealers like remote services or lone worker monitoring; applying tech to a new application like agriculture, wildlife, environmental, etc.; automation)

#### **4. Product Entry Information:**

*Answer the following questions applicable to your technology implementation as completely as possible.*

1. Describe specifically the technology recently implemented by your monitoring center(s).

- 
2. How is that technology improving your company's outcomes, efficiencies, effectiveness and/or profitability?

3. Is your monitoring center(s) breaking new ground in the industry? If yes, how?

4. Has your monitoring center(s) use of this technology been recognized in the markets served?  
For instance, if you are a wholesale provider, has your technology been recognized for helping your dealer customers be more successful?

5. Has your technology resulted in more effective alarm management and/or false dispatch reductions?

6. Do you have any examples of how your technology has saved lives or property or helped apprehension?

7. How is the technology being deployed to advance the professional monitoring industry?

8. Include any applicable supporting materials, statistics, data, or photos.

## **5. Entry Submission:**

Email your completed entry form (one per entry) to **communciations@tma.us** along with any supporting materials. **The deadline for entry is March 29, 2019.**

*Note: If you do not receive an email confirming receipt of your entry, please send a separate email with your entry and support materials to [lmcguire@tma.us](mailto:lmcguire@tma.us).*
