

## Ready for 2019 TMA Annual Meeting?

### Download the Whova App

#### Three Reasons you'll want to download TMA's Annual Meeting App, brought to you by Whova

We are very excited to introduce our new TMA's Annual Meeting App, brought to you by Whova! From providing session information and networking opportunities to allowing participants to organize meet-ups, this app is intended to create an enjoyable experience by bringing like-minded people together in fun and engaging ways.

#### 1. Helpful Attendee Information

Check out and stay connected through the **Community Board**! We will have **Live Polling** and the **Survey** feature will enable you to easily offer your valuable feedback. As an attendee, you will always be included and up to date on any details and decisions about the events. You'll be able to reach out to organizers at any time on the Community Board through the **Ask the Organizer** channel. Look for announcements about the organized trips, networking events, logistics, and navigating the conference as a new member.

## 2. Increasing Event Enjoyment Through Social Interaction

Whova allows organizers and attendees to organize **Social Activities** outside of sessions, start **Discussion Topics**, and share photos of the fun through the Community Board. The app also includes **Photo Contests**, **Caption Contests**, and **Leaderboard Contests** for the most active attendees on the Community Board. If this is your first time attending, you'll find this a great way to break the ice and meet new TMA members.

## 3. Get to know TMA's Annual Meeting Sponsors

The app will make it easier to connect with quality leads for both attendees and sponsors. Schedule meetings to network and scan business cards and QR badges directly through the Whova app. TMA will help break the ice with fun networking events making networking less stressful for all participants.

### How to Download Whova

When downloading, use your email address to sign up in the app and choose a strong password, or sign up using a social media account. Once you're signed up, you should be taken directly to our event!

Click here to [Download](#) and be able to:

- View the event **agenda** and plan your schedule
- Plan some social activities such as a **morning run or networking meet-ups** with your fellow attendees
- Find someone to go to **lunch/dinner together**
- Receive updates such as **last minute schedule change** from the organizers
- Get available presentation documents and slides
- Review more [app features](#) with How-to instructions

[Download](#)

If you aren't directly added to the event and are asked for an event invitation code when accessing the event, please type in this invitation code: **napa19** (Please do **not** share this invitation code with people who are NOT attendees of the event).

Already used the Whova app in the past? Double-check that it is installed on your phone, and log in using your existing account email and password.

Occasionally you may receive notifications from the event you are attending. Feel free to turn off these emails at any time, or check out the Whova FAQ Page if you have any questions. We also recommend you read the how-to guide and watch the video in order to get the most out of the Whova app. Also make sure you read and agree on Whova's term of use and privacy policy before creating an account on Whova Apps.

**Thank you to OneTel for sponsoring this fantastic app.**

***We look forward to seeing you soon at 2019 TMA Annual Meeting!***
