TMA Welcomes New Team Member

January 26, 2021, McLean, Va. – The Monitoring Association [TMA] is pleased to announce the addition of Ms. Tara R. Compher to its headquarters' staff. In her new role as TMA's Programs and Administrative Coordinator, Ms. Compher will oversee TMA's Five Diamond, IQ, and FirstNet programs, in addition to assisting with CRM data management and other projects and serving as the staff liaison to TMA's NextGen group.

"Tara brings a broad range of valuable business and administrative experience to TMA," stated TMA Executive Director Celia T. Besore. "In her previous roles, Tara demonstrated an outstanding commitment to quality and to customer service, which make her ideally suited to this pivotal, customer-focused position within our organization."

"I am excited for this new chapter in my life, but more importantly, I am looking forward to helping The Monitoring Association achieve their mission of creating a safer world for everyone," said Ms. Compher.

Prior to accepting her new position within TMA, Ms. Compher worked for the U.S. Courts as a probation clerk and as a front office coordinator in a dental practice.

About The Monitoring Association

The Monitoring Association (TMA), formerly the Central Station Alarm Association (CSAA), is an internationally-recognized non-profit trade association that represents professional monitoring companies, security systems integrators, and providers of products and services to the industry. Incorporated in 1950, TMA represents its members before Congress and regulatory agencies on the local, state and federal levels, and other authorities having jurisdiction (AHJs) over the industry.
