TMA Executive Director Honored for Association Leadership and Professional Contributions

August 26, 2021, McLean, VA – The Monitoring Association (TMA) is pleased to announce its Executive Director, Celia T. Besore, has been selected to join with nine other association executives in The American Society Association Executives' (ASAE) 2021 Class of Fellows.

The Fellows program bestows an honorary recognition upon exceptional association leaders making noteworthy and sustained contributions of leadership to their organizations, ASAE and the association management profession.

Ms. Besore joins 273 association industry professionals who have received this designation since the program's inception in 1986.

ASAE is a membership organization of more than 48,000 association executives and industry partners representing 7,400 organizations. The Fellows selection process includes an in-depth application describing the individual's demonstrated leadership in diversity and inclusion, foresight, and commitment to the association community; an interview with two members of the selection committee; and selection from among a group of highly qualified candidates. For more information about ASAE's Fellows program, please visit <https://www.asaecenter.org/programs/awards-and-recognition/asae-fellows>.

About The Monitoring Association

The Monitoring Association (TMA), formerly the Central Station Alarm Association (CSAA), is an internationally-recognized non-profit trade association that represents professional monitoring companies, security systems integrators, and providers of products and services to the industry. Incorporated in 1950, TMA represents its members before Congress and regulatory agencies on the local, state and federal levels, and other authorities having jurisdiction (AHJs) over the industry. Learn more online at <https://tma.us/about-tma/>.

About ASAE

ASAE is a membership organization of more than 48,000 association executives and industry partners representing 7,400 organizations. Since it was established 100 years ago, its members have and continue to lead, manage, and work in or partner with organizations in more than a dozen association management disciplines, from executive management to finance to technology. With the support of the ASAE Research Foundation, a separate nonprofit entity, ASAE is the premier source of learning, knowledge, and future-oriented research for the association and nonprofit profession and provides resources, education, ideas, and advocacy to enhance the power and performance of the association and nonprofit community. Visit ASAE at asaecenter.org.
