UHF Special Interest Group (SIG)

AICC recently established the UHF SIG. AICC members in good standing can participate in the SIG with no additional membership fee. The purpose of this SIG is to provide a forum for AICC members to discuss challenges and opportunities relevant to UHF communications and to stay up-to-date on critical issues. Participation in certain advocacy or lobbying campaigns may require contributions above the AICC membership fee.

Would your company like to also join the UHF SIG?

- ☐ Yes
- ☐ No
