### **TMA Honors Fiore's Lifetime Contribution with Everlasting Scholarship**

**Dec. 7, 2022, McLean, Va.** – The Monitoring Association's (TMA) President Morgan Hertel announced the establishment of the Louis T. Fiore Electronic Communications Scholarship on Mon., Oct. 31<sup>st</sup> during the TMA General Business Meeting at the 2022 Annual Meeting on Marco Island, FL. The scholarship honors Mr. Fiore's enduring contribution to the alarm industry and the Alarm Industry Communications Committee (AICC) and is intended to promote careers in electronic communications.

"How do you recognize someone who's given his heart and soul for more than 30 years to an organization?" asked President Hertel when introducing the new scholarship. "Lou has served the alarm industry in many capacities. We wanted to honor his immeasurable contributions in an everlasting manner to make certain he and his work is never forgotten." The room rose with a standing ovation as Fiore approached the stage to accept a small token of recognition from President Hertel.

"I am honored. As chair of the AICC for 30 years, I worked hard to make certain the Committee and its members thrived. The work was very close to my heart. Thank you very much. This is incredible," stated Fiore in his acceptance comments.

The scholarship is open to anyone studying electrical engineering, specifically electronic communications, or software development related to electronic communications, regardless of financial need. Students at any nationally accredited educational institution, including vocational schools, two-year colleges, or other institutions of higher learning are eligible.

For more information on this scholarship, including donating, please visit [TMA's website](#).
