**The Monitoring Association Welcomes Zeus Fire and Security CEO
to its Board of Directors**

February 9, 2023, McLean, VA – The Monitoring Association (TMA) is pleased to announce the recent appointment of Scott R. Elkins, CEO, Zeus Fire and Security, to its Board of Directors. An accomplished and highly respected security industry executive, Elkins was appointed by TMA President Morgan Hertel to fill in a vacancy in the Board of Directors.

TMA President Morgan Hertel shared, “Scott brings more than three decades of security industry knowledge and experience to his new role within TMA. He is a passionate leader and is deeply committed to excellence in all aspects of his work. His unique insights to business and technology will assuredly be an asset to our Board and to our membership community as we evolve to meet the changing landscape of our industry.”

“It is an honor to be appointed to the TMA Board of Directors. I have dedicated my entire professional career to this industry and TMA has been an invaluable resource to me and companies along the way. Every industry needs a strong governing association, and we are so fortunate to have TMA serve that role for the Monitoring Industry,” stated Elkins. “The opportunity to give back is appreciated and one I do not take lightly. It is a privilege to serve with so many dedicated industry professionals, many of whom who have been long-term friends and colleagues. I believe that TMA’s best days are ahead of it as we continue to support this amazing industry in these new, challenging, and exciting times!”

About The Monitoring Association

The Monitoring Association (TMA), formerly the Central Station Alarm Association (CSAA), is an internationally-recognized non-profit trade association that represents professional monitoring companies, security systems integrators, and providers of products and services to the industry. Incorporated in 1950, TMA represents its members before Congress and regulatory agencies on the local, state and federal levels, and other authorities having jurisdiction (AHJs) over the industry.
