The TMA/SSN DEI Leadership Award entry has two requirements for award eligibility:

1. 35% employee completion rate of the TMA DEI Employee Assessment Survey
2. Completion of DEI Leadership Award Shared Success Examples Form

Participating companies will receive a company summary of employee feedback (without individual answers) to provide awareness and ideas for improvement within their organization. In addition, they will receive the DEI Shared Success Examples Summary, which consolidates and summarizes the best examples of DEI policies, activities, programs, and efforts submitted by all participating companies.

All survey data collected is confidential and not shared individually. Data in the aggregate is used to track the overall progress of the industry over time. Voluntary questions regarding demographics will be used for analytical purposes only. They will not be used to try to identify any individuals. Only aggregated results will be shared with individual company summary reports.
